

2019 AMTA Reunion, San Antonio, Texas

October 2nd, 3rd, 4th, 2019

The 2019 AMTA REUNION WILL BE AT THE HILTON SAN ANTONIO AIRPORT in SAN ANTONIO. This will be our 14th reunion in 16 years. The 2019 AMTA Reunion is being held the first week of October due to a major mix-up with the FTVA, creating a difficult situation for everyone and we had to overcome. Mike has negotiated fairly decent prices on the individual rooms based on the time crunch and being placed in an almost NO WIN situation. (\$124.66 per night tax included), and this price **does include** a hot breakfast. As soon as the contract is finalized we will add prices and dates to this webpage. The dates for the reunion are October 2nd through October 4th, 2019 with the AMTA banquet being October 4th. Many will have breakfast together Saturday morning the 5th. These dates coincide with the FTVA reunion and that is why we had to change the AMTA dates. AMTs join in many activities that are sponsored by the FTVA.

We will be joining the FTVA golf tournament again as Dennis Buxton does a fantastic job organizing the tournament. Start thinking about getting your team together now.

Keep checking back from time to time as updates will be posted as they become available.

If you need to add something about the reunion to this page send an email with your input to Johnnie Estes (jte@amtassociation.org) and they will be posted as required on this page.
