Dear Airborne Maintenance Technician Association Members,

Please accept my utmost gratitude and sincere appreciation for your group's generous donation. Your kindness and thoughtfulness afforded the hundreds of airborne warriors deployed in support of our war on terrorism an extra special holiday season. The care packages sent contained many items that will be useful to our men and women in the months to come.

I also would like to apologize for the delay in getting this letter to your organization. Our initial letter, send to you in January 2009, must have been miss sent. Again, on behalf of the men and women of the 97th Intelligence Squadron, I would like to personally acknowledge and earnestly thank all of your folks for their contribution.

Sincerely,

A handwritten signature in black ink that reads "Timothy M. Sipowicz". The signature is stylized with large loops and a long horizontal stroke at the end.

Commander, 97th Intelligence Squadron
