

2011 AMTA Reunion, San Antonio, Texas

Thanks to Mike McLaughlin, Bob White and Dan Sloan the 2011 Reunion is starting to take shape. They have a contract with The Hilton at The Airport in San Antonio and have gotten it for an exceptional price. Again, the AMTA must rent a minimum of 90 room nights to avoid paying more for banquet rooms, hospitality rooms and meeting rooms and also paying the price for the additional rooms to equal the required 90 room rentals. This is over a period of three days. Reservations for the AMTA rate will be available two days before the reunion and two days after the reunion. The person Mike has been working with has been very cooperative. You can call today to make your reservation and you may want to do that to avoid the rush. You can go to the link on the website and make your reservation.
