THE HON. J.D. CROUCH II
CEO & PRESIDENT

Dear Friend of the USO,

Thank you for your gift to the USO. As the nation's leading organization serving our military members and their families deployed all over the world, we are honored by your partnership. Your heartfelt contribution this time of year is providing critical support to help lessen the separation felt by troops and their families as they work to protect our freedom.

This holiday season, we are hard at work supporting service men and women who are fighting to keep us safe, strong and free — during one of the most challenging years we have ever faced. These brave Americans are engaged in combat operations, helping with COVID-19 aid efforts, working alongside local law enforcement with emergency response and delivering support in the aftermath of natural disasters.

If the new pandemic has taught us anything, it is that our freedom — and those who risk their lives to defend it — should never be taken for granted. Our services at this moment could not be needed more. And as our national situation continues to evolve, the USO is right there pivoting resources to our troops in areas that need it most.

Your contribution helps us prepare warm meals, deliver care packages that provide comforts of home, bring virtual entertainment tours to troops to boost morale and provide technology that enables connections to family and friends.

Thank you for supporting San Antonio USO. I've enclosed a Gift Tax Receipt for your donation. As you prepare to celebrate the holiday season with loved ones, we thank you for taking the time to remember our men and women in uniform. Your support is providing much-needed services to our military heroes and the families who love and miss them.

With my warm and heartfelt gratitude,
